

Early Diagnosis of Cancer (Community Pharmacy) Pilot

Training Checklist for Community Pharmacies

All Community Pharmacy staff who will be helping to deliver this pilot must ensure they have an up-to-date understanding of the service specification and clinical protocol. Several videos and online resources have been created for this pilot in the table below, which must be completed by the appropriate staff member.

Pharmacies are requested to return a signed copy of this document to Peninsula Integrated Health/Community Pharmacy Cornwall administrator (abigail@communitypharmacycornwall.org).

Who	Training Requirement:	✓
All staff	Cancer Pilot overview video (22 mins)*	
All staff	Cancer Pilot PharmOutcomes video (26 mins)*	
Pharmacists & Techs only	Cancer Pilot e-RS & GP Referrals video (23 mins)*
